

Paoli Group Billing Manual

Document ID: PG-POL-003 Version: 1.0 Effective Date: May 17, 2026

Owner: Human Resources and Compliance

1. Purpose

This manual establishes baseline billing and time-entry standards for project work performed under Paoli Group operations.

2. Time Entry Standards

Work hours must be recorded daily in the assigned system using project and task codes provided by the project manager.

Entries must be factual, complete, and submitted before internal cutoff times.

- Use clear activity descriptions tied to project deliverables.
- Do not duplicate, estimate, or pre-fill unworked hours.

3. Approval Workflow

Managers review submitted hours and may return entries for correction when required details are missing.

Repeated submission issues may trigger compliance review.

4. Compliance

Billing records must align with client commitments, contract terms, and internal governance rules.

Any discrepancy or potential misclassification must be escalated immediately.

Acknowledgment

By signing in DOMS, the employee or contractor confirms they reviewed this policy and agree to comply with its requirements while performing work for Paoli Group.
